## Types of Litter

# ¿What can we do?

# Our Findings and Conclusions!!!

There is too much litter  
and too much single-  
use plastics!!

We all need to do  
something!!

# My Promise!!!

Tell others!!

Reduce the use of  
plastics!!

Reuse things!!

Recycle!!

# Our message to others!!!

Let us help each other in  
reducing litter in the  
environment!!

# Litter sampling on the beach

**¡Vamos!**

**¡There is a lot to do!**

# Participants & Supporters
