# Water Guardian Experts Platform

Connect with other members of the platform, you will then be able to send private messages to them.

The screenshot shows the homepage of the Water Guardian Experts Platform. The URL is <https://waterguardianexperts.thewaternetwork.com>. The page features a navigation bar with a search function and a user profile icon. A large banner image shows marine plastic pollution. Below the banner, there is a section titled "About Water Guardian Experts" which describes the platform's mission. The main content area is divided into several sections: "Latest news" with articles like "UNEP Report - Valuing Plastic (2014)" and "East Asian Sea, a hot spot of pelagic microplastics"; "Get informed" with various reports and guides; "Ask questions" with a Q&A section; and "Get Connected" with a list of members and a "CONNECT" button. Annotations with yellow boxes and arrows highlight key features: one points to the envelope icon in the top right corner, another points to the "Send private messages to other members by clicking on the envelope" text, and a third points to the "CONNECT" button in the "Get Connected" section.

Add content to the platform - upload documents, write an article, start a discussion or ask a question.

The screenshot shows the homepage of the Water Guardian Experts Platform. The top navigation bar includes the 'RACE FOR WATER' logo, a search bar, and user icons. A vertical sidebar on the left contains various navigation icons. The main content area features a large banner image of a beach with plastic waste, followed by an 'About Water Guardian Experts' section. Below this, there are sections for 'Latest news' and 'Get informed'. The 'Latest news' section displays two articles: 'UNEP Report - Valuing Plastic (2014)' and '"East Asian Sea, a hot spot of pelagic microplastics" published at Marine Pollution Bulletin'. The 'Get informed' section shows a grid of featured content including 'Race for Water Foundation', 'Preliminary results of the Race...', 'IUCN Report - Plastic Debris in...', 'Drone Mapping - Cutting Edge...', 'NOAA Marine Debris Shoreline...', and 'Massive Open Online Course...'. On the right side, a vertical menu contains buttons for 'POST', 'NEWS', 'QUESTION', 'DISCUSSION', 'DOCUMENT', 'EVENT', 'ARTICLE', and 'SUGGEST LINK'. A yellow callout box with an arrow points to a green circular button with a white 'X' icon, labeled 'Create', which is positioned above the 'POST' button.

# Water Guardian Experts Platform

Create a page to describe your organization, association or company and its activities

The screenshot displays the 'Water Guardian Experts' platform interface. The URL in the browser is <https://waterguardianexperts.thewaternetwork.com/organization-c6k/list>. The page features a blue header with the 'Water Guardian Experts' title and navigation tabs for 'ORGANIZATIONS', 'PRODUCTS AND SERVICES', and 'JOBS'. A sidebar on the left contains a menu with icons for home, search, and other functions, with the 'ORGANIZATIONS' tab highlighted. A yellow box highlights the 'ORGANIZATIONS' tab in the sidebar, and another yellow box highlights the '+ CREATE ORGANIZATION' button in the main content area. Below the button is a 'Filter by tags' section with a '+ SELECT TAGS' button. The main content area displays a list of organizations, including 'Race for Water Foundation', 'UCT', 'University of Cape Town', and 'Kakaka Here Henua Ecologica Maori Rapa Nui'. Each organization entry includes a profile picture, name, location, description, and a list of tags.

Go to your “settings” (red arrow) and then click on notifications (green rectangle) and then on “email frequency – content” (green circle) to chose (yellow rectangle) how often you wish to receive emails from the platform

The screenshot shows the 'Water Guardian Experts' settings page. The navigation bar at the top includes 'Navigate to', 'The Water Network | by AquaSPE', and 'Water Guardian Experts'. The left sidebar contains various icons for navigation. The main content area is titled 'SETTINGS' and has three tabs: 'ACCOUNT', 'NOTIFICATIONS', and 'CONNECTED ACCOUNTS'. The 'NOTIFICATIONS' tab is highlighted with a green rectangle. Under this tab, there are several settings: 'SmartMatchPro - Q&A', 'Email frequency - Content', 'Digest frequency', 'Select content settings', 'Email frequency - Follow', 'Email frequency - Members', and 'Select members settings'. The 'Email frequency - Content' setting is highlighted with a green circle. Below it, there are three radio buttons for 'Daily', 'Weekly', and 'Off'. The 'Daily' radio button is selected and highlighted with a yellow rectangle. On the right side of the page, there is a user profile dropdown menu for 'Elsa Mabillard'. A red arrow points from the top right corner of the page to the 'Settings' option in this menu. The bottom of the page features the 'AquaSPE' logo, copyright information, and links to 'ABOUT', 'USER AGREEMENT', 'PRODUCTS', and 'CONTACT'.

Got lost in the Water Network? Don't panic, here is how to go back to our Water Guardian Experts Community

The screenshot shows the homepage of The Water Network website. The browser address bar displays <https://thewaternetwork.com>. The navigation bar includes a hamburger menu icon, the logo "The Water Network", and a "HOME" button. A dropdown menu is open, showing "My Groups:" with a link to "Community Cafe" and a "SEE ALL GROUPS" button. Below this, "My Communities:" is listed, with "Water Guardian Experts" highlighted by a yellow box and a yellow arrow pointing to it. The main content area features a "Get Informed" section with various articles and images, including "The Water Network 2.0 - R...", "Devices for Saving Rainwa...", "Sanitation Districts Partner...", "OriginClear", "How Chicago Turns Sewag...", "Filer Faces Arsenic Levels L...", "Interview with Tim Harper", "Water Conservation in Golf", and "Kore Infrastructure Wins A...".
